Rolland G

Dear Rolland,
 Or should I
 say dear astronomer?
 no I guess I won't be.
 cause your not the only
 one called that. I suppose
 you'd count the days until
 school opens again next year. I
 don't think next year can go fast
 enough to get through this year. I
 managed to get through this year pretty
 good and it sure has been fun. I
 only your manage to greet me each morning
 with "How are the stars or something like
 that. You're a swell guy and lots of fun and
 I hope your future by looking at the stars too
 Don't hurt your eyes by looking at the stars too
 much because if you do Nancy will have to buy
 you a pair of sunglasses.
 Bonnie

Dear Rolland,

Oh gosh, what a year.
 It sure has gone fast, but
 it has packed full of fun +
 memories. Class play, + the
 Banquet, we sure got a
 "charge" out of that. Remember
 that night we hung "May baskets"
 on your. I think we woke up
 everybody on the place, how
 far did you run.

Well, next year we will
 be seniors + we can take over.
 Have a lot of fun this summer
 I hope to see you around this summer
 + next year too. Be Best of Luck to you in
 the future.
 M. M. M.

Dear Rolland

Two weeks and we're free!

I certainly have enjoyed
your company this year
and already look forward
to next year when we are
seniors. I hope you have

a lot of fun this summer
like we had this school year.

Good luck Old Man,

Your friend, Bob Knudson

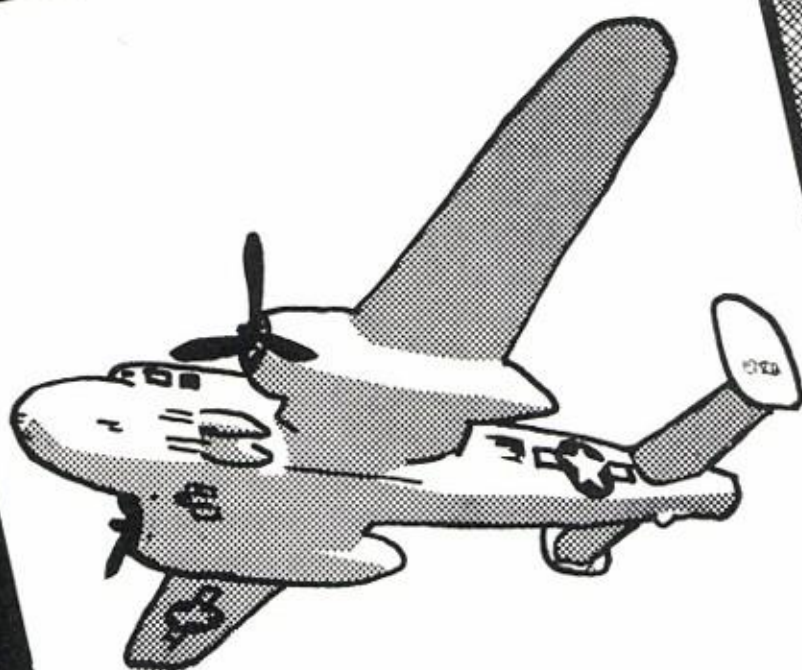

Dear Rolland

Well, I'll down I to go I hope
it goes just as fast as this
last year.

It has been a lot of fun
being with you all these
years

Good luck
Wyatt

Dear Rolland
This year sure
has been fun, especially
Agg. class. It's been nice
knowing you and I hope we have
as much fun next year. Good luck
in the future to a swell gang

SPORTS SUMMARY

The "53", "54" baseball team was weak and didn't win many games. A better team is expected this spring with Eliason returning as pitcher.

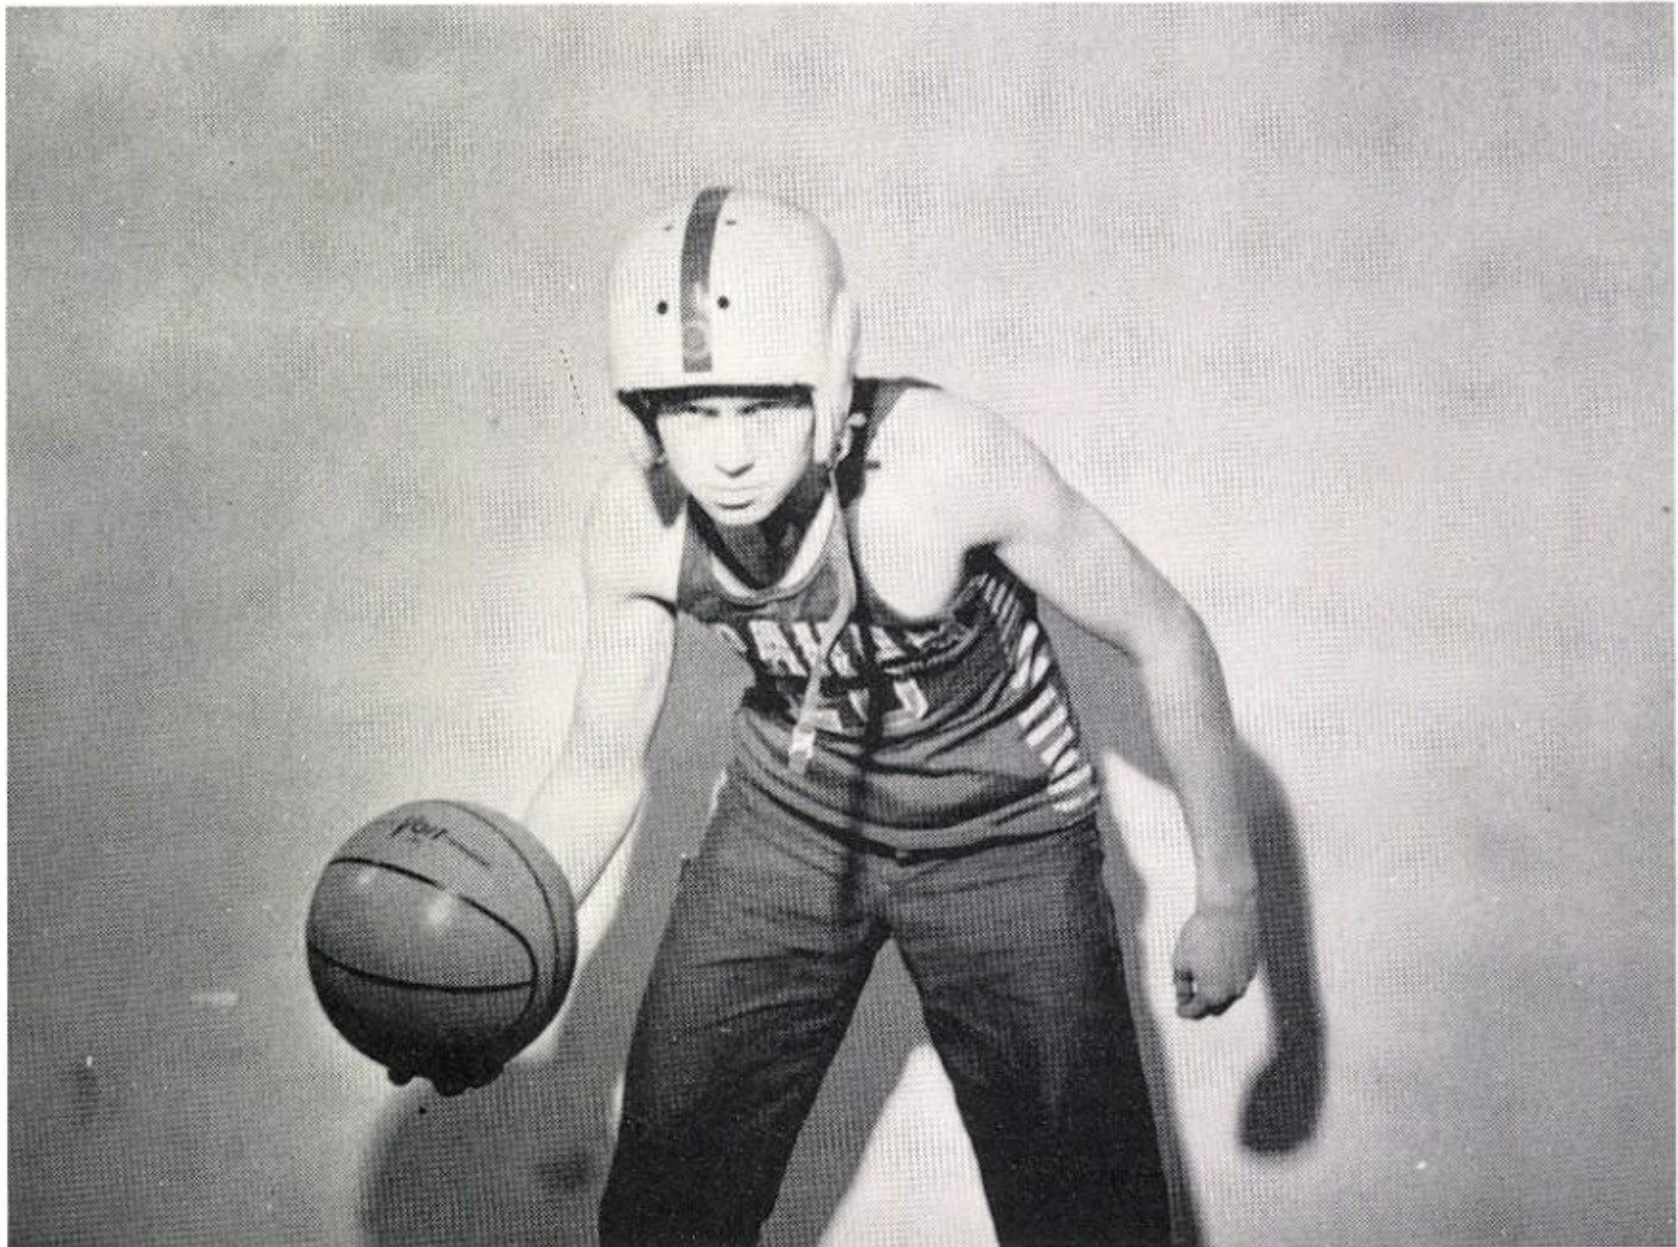

Last year's track team was small, the weather was wet and there were not very many meets, however our pole vaulter, Jim Schwarten, took first place in the district and regional meets and advanced to the state meet.

The competition was strong in football and our team was defeated in all but one game including the homecoming game.

As this yearbook is being made the basketball tournaments have not yet started. Up to now Braham has won about as many games as they lost. The way it looks now any team in the district has a good chance to win the district trophy as all teams are of equal strength. The sophomore forward, Truman Turnquist, has made a very fine showing this year and promises to be a tough player to stop in the next two years.

Braham's graduating lettermen are as follows: Bruce Falk, Dennis Eliason, LeRoy Downing, Larry Selberg, Jim Schwarten, Dave Olson, Jim O'Bryon, Sherman Wiese, Clark Moline, Martin Ferrier, Jim Kelling, David Holtz.

CLASS WILL

We, the seniors of 1955, being of sound mind and good character, and after much thought, do hereby publish this, our last will and testament.

To the faculty we leave a few more gray hairs. And being unable to return next year we leave the following property to the underclassmen.

Duane Anderson leaves his farming ability to Dick Fihn.

Erving Anderson leaves his nickname, "Mink," to David Erbstosser.

Rose Anderson leaves--to work at the "Doodle-bug."

Margaret Barbo leaves her editorship of the Hi-Times to Barbara Thunberg.

Marlene Barthel leaves her giggles to Audrey Olson.

Doris Berglund leaves her desk doodles to the school.

Ralph Borchardt leaves to manage the "Lazy B" ranch.

Florence Carlson leaves her "Natural" red hair to Carol Johnson.

Bill Carlson leaves his good marks to Rubert Pangrel.

Arlene Dahl leaves her quiet voice to Elaine Nordeen.

Joyce Dahlberg leaves--with good intentions.

LeRoy Downing leaves his nickname, Grandy, to Dana Marshall.

Dennis Eliason leaves his basketball abilities to Leslie Roesner.

Bruce Falk leaves his broad shoulders to Eddie Borchardt.

Dorothy Falls--manages to leave.

Richard Fealy leaves his collection of cars to Willard Lindquist.

Martin Ferrier leaves his power in football to his brother, Larry.

June Grundberg leaves her innocent look to Donna Stanton.

Laura Hasser leaves her 'chit-chat' sessions in social class to Beverly Hallin.

Ronald Haughlie leaves his "tardy passes" and his nickname, "Pigwart," to Dennis Hedstrom.

David Holtz leaves his cowboy boots to Wes Carlson.

Jim Kelling leaves his curly hair to George Grunewald.

Carrol Lucht leaves her "happy-go-lucky" ways to Ruth Brown.

Diane Markley leaves her nickname, "Bubbles," to Mary Beth Larson.

Jane Mattson leaves--to get married.

Lorna Miller leaves her 4,760 golden hours of study that she gladly mislaid somewhere in the school.

Clark Moline leaves his "innocent" wise-cracks to Miss Kromer.

Gretchen Monster leaves her "sunshine smile" to Patsy Lundquist.

Gene O'Bryon leaves his fast moving tongue to James Kays.

James O'Bryon leaves his long legs to Robert Hasser.

David Olson leaves his black book to Spencer Doering.

Ronald Nolby leaves his flashy shirts to Miles Rawhouser.

Edward Peterson leaves his window breaking ability to anyone with a sharp elbow.

David Prestidge leaves his thundering voice to Willie Strelow.

Louie Rosburg leaves to join the circus because he proved to be quite a clown in English class.

Arlene Satterstrom leaves her "pip-squeak" voice to Ardys Ludington.

Jim Schwarten leaves his pole vaulting to anyone who wants to break his neck.

Larry Selberg keeps his moonlight memories but offers to teach his technique to anybody who is willing to learn.

Edythe Strand leaves her "A's" in attitude to Stanley Nichols.

Alice Studt leaves her crown to any deserving junior.

Joan Svendby leaves her Norwegian accent to Wyatt Hansen.

Dean Swanson leaves his Democratic arguments for all Republicans to ponder over.

Sherman Weise leaves in a cloud of dust.

Caryll Ziesmer leaves her blushing ways to Miss Kress.

Clyde Ziesmer leaves because it is the only thing left to do.

Conclusion:

And so ends the class will of 1955 and may the Class of '56 have as much fun as we have had.

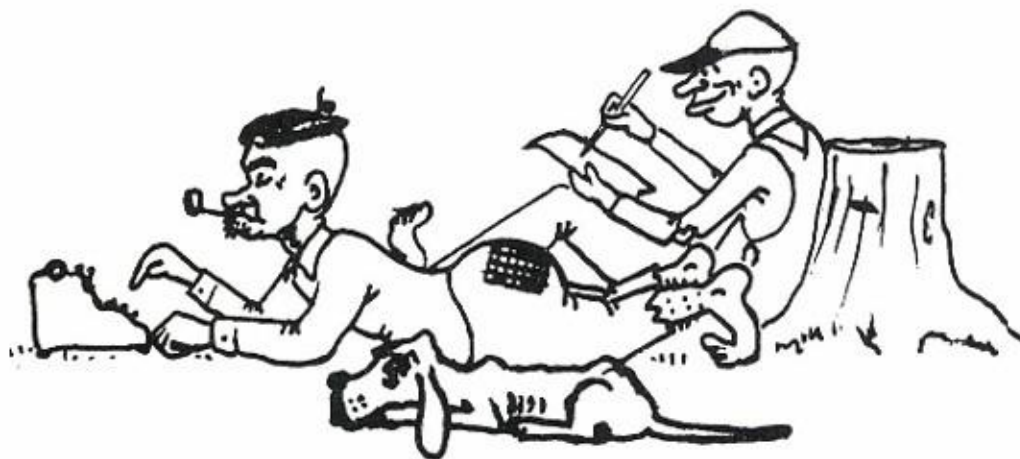

CLASS HISTORY

Four years ago on a sunny September morning, a group of bewildered Freshmen met with Mr. Betsinger and Mrs. Froyen, our class advisors. We elected Dennis Eliason, President; Alice Studt, Vice President; Margaret Barbo, Secretary; Sherman Weise, Treasurer; and Dennis Eliason and Edythe Strand to Student Council. During the year we were initiated by the Sophomores. Our class contained sixty-three pupils.

During our Sophomore year, our class, under the sponsorship of Miss Kromer and Mr. Aune, initiated the Freshmen with a roller skating party at Fish Lake. Several members served as waiters and waitresses at the Junior-Senior Banquet. Out of our class of fifty we elected Dennis Eliason, President; Billy Onifer, Vice President; Carrol Lucht, Secretary; Arlene Satterstrom, Treasurer; and Dennis Eliason, Bruce Falk, and Alice Studt to Student Council.

In our Junior year, with Miss Kromer and Mr. Peterson as advisors, and Jim Schwarten, President; David Olson, Vice President; Carrol Lucht, Secretary; Florence Carlson, Treasurer; and Jim Schwarten, Margaret Barbo, Dennis Eliason, and Diane Markley to Student Council, we entertained the Seniors with a beautiful banquet, the theme of which was "Moonlight and Roses." Doris Berglund, Margaret Barbo, David Olson, and Clark Moline appeared on the program as the "Moonmists." Money-making activities included our class play, "The Adorable Imp," and a magazine drive. We received our class rings on April 24. There were forty-six pupils in our class.

In our last year in high school the following served the class as officers: Jim Schwarten, President; James O'Bryon, Vice President; Diane Markley, Secretary; Gene O'Bryon, Treasurer; and Jim Schwarten, Dennis Eliason, Alice Studt, Bruce Falk, and David Olson to Student Council. Our many activities during the year included: Homecoming on October 15, publication of the Echo; class play; "Skip Day;" Junior-Senior Banquet given by the Juniors; and a senior excursion. We finished the year with Baccalaureate services, Class Night, and finally Commencement. Mr. and Mrs. Lindell were our sponsors for this year and our class consisted of forty-five members.

CLASS PROPHECY

In the year two thousand-six, I am working for the United States Government Census Bureau traveling all over the states. I am in Buffalo, New York, now and I stop to see an old buddy of mine. He is the president and manager of the Edward P. Peterson Trucking Firm. Across town on the Lake Erie shoreline I see Dave Olson cruising around in his cabin cruiser.

From Buffalo I go to New York City and in the National Art Museum I see some very artistic drawings done by Gene O'Bryon, Arlene Satterstrom, and Doris Berglund. Going up along the Hudson River I come up to West Point and see Jim Kelling and Martin Ferrier giving their troupes marching drills. Then going across country to Boston I see LeRoy Downing who is president of Downing Tuna Fish Company and he is dictating a letter to his charming secretary, Joan Svendby. From Boston I go to Washington, D. C. and see Senator Dean Swanson (Democrat from Minnesota) and Representative Alice Studt (Republican from Minnesota) arguing over criminal hearings.

Coming into Miami, Florida, I see that practically half of the Braham High School seniors of 1955 have moved there. Florence Carlson, Diane Markley, and Edythe Strand are teaching elementary school down there. Carrol Lucht is teaching music and Sherman Weise is coaching football there also. Over at the University of Miami I see Dennis Eliason and Larry Selberg coaching their champion basketball team.

From there I hop a plane co-piloted by Clark Moline and Irving Anderson. The airline hostesses are Laura Hasser and Rose Anderson. I picked up a joke book on the plane and who do you think the author was--none other than Louie Rosburg. I landed at Dallas, Texas, and saw David Holts. He is president of the Boots and Saddles Club of Dallas.

Over in El Paso, Texas, I see Dorothy Falls, who is happily married and has a group of four little tots to take care of. I have a sore neck from looking out of the train windows so much so I decide to go and see a doctor when I land. In Phoenix, Arizona, I go to the doctor and who do you suppose greets me in the lobby! None other than Margaret Barbo, who is working for Dr. James Schwarten.

My next trip is to Hollywood, California, where our own Arlene Dahl is starring in a hit movie. Caryll Ziesmer and Gretchen Monster are running an orange grove. Their foreman is Richard Fealy.

Up in Idaho, Duane Anderson is managing a big potato farm. David Prestige is raising sheep in Montana. Also in Montana I see Joyce Dahlberg as a secretary for a construction firm. Traveling to North Dakota I run into Lorna Miller running her big ranch out on the prairie.

Coming back home to Minneapolis I see Bill Carlson as a lawyer and Bruce Falk as superintendent of a Minneapolis school. When we arrive in dear old Braham, I meet Jane Mattson and Marlene Barthel on main street. It seems they have started a lonely hearts club. Some of their chief clients are Ralph Borchart and June Grundberg. Ronald Nolby and Clyde Ziesmer are farming their folks farms. Last but not least I see James O'Bryon coaching Braham's continuous championship basketball team.

Dearest Brother
 did you here the joke
 about the two holes in the ground?
 Well, well,
 I can't think of anything more to write
 of the pain in the brain
 Love and kisses
 Brother
 Jimmy

Dear Rolland,
 Hi Cousin. Well
 another year is gone and
 one to go. We've had
 a lot of fun this year
 especially in Ag. Class.
What a riot. Don't work
 too hard this summer
 and if you don't kill
 yourself we will be
 classmates again next
 year. Good luck to
 you in whatever you
 do. Signed
 Cousin Jimmy
 CJ

Dear Dad,
 Well, that's a hole in
 the ground you know, I
 don't know what to write, but
 I will tell you this is sure is
 funny going to school with you
 and I want to wish you the
 best of luck in the future.
 You son
 Jimmy

Dear Son,
 Just think, one
 more year and you'll
 be going out on your
 own in this big, wide world.
 You'll never think I was 185
 with you. (Maybe) Take
 it easy on the women.
 Your Dad,
 Frank

Dear Grandpa,
 but I don't
 going to try. Let me
 (168) bellow like with a beer to
 will be in your a nice nice
 pretty soon. Good prime
 back to a swell
 your grandson
 Dave

Dear Uncle,
 I'm so glad
 to finally have gotten it
 all figured out. Lots of
 fun in advan. Also, this
 year eh. What? All the
 problems that never did
 work out. Got to quit
 course of the pain. What
 a blast. your nephew
 Rugged
 Ricks

Dear Rolland,

I sure have enjoyed
our regular Sat. visits!
And just think of all the
B-B's you've bought!
~~As "fave" will have~~
As "fave" will have to
go someplace together!
Good Luck.

N) argue!

Dear Rolland,
I haven't counted
the days yet but I know
there aren't too many left.
Then we are "out" for another
year.

I guess you can remember
all the work in the banquet. I
don't think I will be able to.
I didn't do very much.
really looked nice when we
got it all done. Didn't hit?
Thanks for taking me to the
banquet! I had a lot of fun.
Best of luck in the future.

Dear Rolland,
This year been from
your back in English
class and watching you
earn all your A's. Best
of luck to you.
real good
Paul

Dear Jr.
Just think you
only have one year left.
I sure have had fun this
year in school. Remember that
year when we all were up to Miller's
lake & caught those crabs when we went
up to Knife Lake with Harry & Carol & had that
picnic. It sure was fun. And we can't forget
all the flat tires. A four a wonderful guy & I wish
you lot of luck.

Love Nancy

Dear Rolland,
Well I haven't seen
you to much this year.
I'll only close you or
in with me in history.
I do write sure doesn't
that write but sit on
do any thing for con for
a good time. I hope you
will have a good last year.
and good luck with the
girls.

Miles

Dear Rolland,
I guess I should
congratulate you
on your fine job
of keeping our Ag.
class alive.
Since I do not know
if I am your "dad" "uncle".
"cousin" or "grandad", I'll
sign this
Your Friend,
James
